below-IECAB fees included) Pre-requisite: FET Certificate in Beauty Technology [SAQA ID 80646 – NQF LEVEL 4]

The Diploma in Health & Skincare is a full-time qualification that builds on the foundation set with 80646. It is the expedient necessary to conclude the extensive tutoring for the multi-disciplined career goal and role of the ‘Somatologist’. Therapists represent their profession, employers, clinics, salons and above all else themselves in the industry. Every aspect of the service provided to clients should therefore be completely professional. The experience and knowledge which is required to reach such a level of expertise vastly depends on the qualification being completed by potential therapists and the hands-on practical training involved. It is suffice to say that a Somatologist encompasses all of the above with certainty and ease as a direct result of the Health and Skincare Diploma being the ‘Rolls-Royce’ of all aesthetic and cosmetic courses!
